hi Katelyn and Anthony,

After consulting over the past week with numerous NAGLREP corporate partner CEO's, and hosting a NAGLREP BOD call this morning, I'm requesting Anthony and I speak at his earliest convenience. Please advise a good day and time. Last week Katelyn suggested I should not contact Robert Peterson of Engel & Volkers. She also incorrectly suggested Robert Peterson of Engel & Volkers was not the cause of the lies about me and NAGLREP being tossed around like a frisbee which effect my livelihood and good faith of an organization I began 13 years ago. I initially texted Robert suggesting we talk, and later that eve I received a barrage of bullying because of my sexual orientation is bisexual and other lies about NAGLREP that Robert Peterson of Engel & Volkers is fabricated including:

as per Katelyn:

- Financial instability of NAGLREP
- Uncertainty regarding 501 status
- Mismanagement of funds

Please note, if this was one or two inquiries, we would not be bothering you with this, but we are getting a noticeable amount of questions.

Attached are docs sent in confidence to you and are private. Do not share.

- 1) initial-text-Jeff-Berger-NAGLREP-to-Robert-Peterson-Engel-Volkers
- 2) screenshot of the bullying messages Robert Peterson of Engel & Volkers sent to me up to 1am last Wednesday
- 3) 2019 tax return for NAGLREP
- 4) the 2 NAGLREP bank account balances as of today
- 5) a copy of our BOD from our website
- 6) NAGLREP 501(c)(3) document without any interruption.

Lastly, NAGLREP finds it very damaging to our brand to be affiliated with a company such as Engel & Volkers that looks away from the dishonest actions of Robert Peterson of Engel & Volkers. If Engel & Volkers leadership does not feel it necessary to remove the liar Robert Peterson from under it's roof, then NAGLREP has no choice but to cease and desist it's partnership with Engel & Volkers. Our membership is very upset by the inaction of your executive team. Our core values and mission can not be around or partner with companies that do not stand against bullying because of a person's sexual orientation or gender identity. As president and CEO of NAGLREP I offer your executive team 1 week from today to advise your decision.

This week I am filing a formal ethics complaint against Robert Peterson with NAR based on Article 10 of the NAR Code of Ethics. I know it well and for years spent my career ensuring the change happened for the real estate community. <https://www.wra.org/WREM/Dec10/Article10/>

Thank you,

Hi Jeff,

We've received several emails and phone calls today and over the weekend asking for our insight and position given controversy surrounding NAGLREP. I'm reaching out to simply fact check some of the comments we've been receiving. I believe these started based on comments made on Facebook regarding COVID-19. Please advise:

- Financial instability of NAGLREP
- Uncertainty regarding 501 status
- Mismanagement of funds

Please note, if this was one or two inquiries, we would not be bothering you with this, but we are getting a noticeable amount of questions.

We look forward to your feedback.
